STUDY GROUP – Explore your Faith

A new Study Group on Zoom: A new weekly group will start on Friday 16th July at 11.00 am. The group will follow a discussion guide to explore what it means to be a Christian. The booklets chosen are *Walk the Jesus Walk*, by John Simmonds, and the second booklet by the same author, *Jesus then and Now*. A number of booklets have been ordered already. If you would like to join the discussion group and wish to order the booklets please get in touch with Tessa Carrick 01527 873135 or tessa@carrick.myzen.co.uk, ID Code will be available nearer the time.

**HYMN BOOKS and
WORSHIP BOOKLETS**

From Sunday 18th July we will return to using hymn books and our usual worship booklets in both St Godwald's and All Saints. This will reduce our printing and paper usage considerably and save a good amount of David and Heather's time too in preparing weekly service sheets.

The number of worshippers online is steadily decreasing as confidence returns and people feel able to come back to church. However, we remain committed to zoom worship continuing indefinitely for those unable to come to church. If you are amongst that number, then we will deliver a hymn book to you at home. If you are not on email, we will deliver a service sheet too!

Although we know who worships online regularly, please do let me know if you definitely wish to have a hymn book and service sheet delivered to you at home.

Thank you! David

Government Legislation

The Government is proposing a new piece of legislation that would put a counter-terrorism obligation on all places of worship, and especially on those whose capacities exceed 100 people. The easiest way to meet the obligations under the proposed legislation is to keep our churches closed.

The Archdeacon of London has written a very helpful blog on this that I encourage everyone to read. A consultation on the legislation is underway and there is a link in the following piece if you wish to respond.

Whilst there is some logic to the legislation for places such as the National Gallery, its impact on the smallest of our churches could be extremely onerous and will lead many small rural churches to lock their doors.

CLIMATE CHANGE

This is a very relevant issue and it was recently a major topic at Diocesan Synod. The following are links to some very interesting and informative resources:
